Talyn is a Wood Elf from the forests of Aelftyr, set along the eastern coast of the Tir Tuath region of Anwyn.

Even for a people known for having exceptional archers, Talyn has more skill than most.

Talyn is the younger son of a minor Verdyi noble. So, at a young age he was apprenticed to and mentored by some of the best warriors in the region. After his apprenticeship, he spent another 10 years in the village militia, helping protect his home land. He even did three years with a small troop of Verdyri helping to protect Mirrhyc from the cratures filtering down from Wybr Ghenfl (Monster Pass).

Once his enlistment was up, Talyn decided to spend time wandering the land and learning new things, besides he had always wanted to become an adventuring hero!

Recently, he hooked up with a small crew of adventurers to see what sort of exciting things they could find.
